My heart screams within me

DON'T go!!

But there is nothing I can do

I can't heal you

I can't set your spirit free

And I can't keep you here with me I'm searching now for peace

I'm searching now for hope

What will I do without you?

Will I find a reason to go on? My best friend

From beginning to end

Together we've been

Through thick and thin A man of integrity
A man of his word
There's no one else like you
In all of humanity I will miss the smile upon your face
And the warmth of your strong embrace
Nobody could ever take your place I love you my lover
My husband
My friend
But I must release you
