## **Mr. Michael Davidson Lucchese Sr.**

DEC 2, 1937 - AUG 30, 2012

**M**ichael Davidson Lucchese, Sr., 74, of Pearland, Texas, entered into eternal life with Christ on August 30, 2012. Mike grew up in San Antonio and served in the San Antonio Police Department before moving to Houston. He thrived in the acoustical contracting and construction material sales arena for over 40 years as an award-winning salesman and sales manager. He participated actively in a variety of professional associations including the AGC, ABC, CISCA, DISCA and AWCI. Across the nation, construction industry stories and legends abound about "Big Mike" Lucchese. Associates will remember Mike not only because of his large stature, but also because of the big impression he made on people. You could count on his big smile in person or on the phone. Mike developed strong relationships with many architects, contractors, sub-contractors, coworkers, clients, drivers picking up supplies, and suppliers. He considered each and every one of these people part of his workday family and looked forward to interacting with them. He never quit enjoying his work associates. Davidson family members recall "Little Dave" memories with fondness. (He was actually considered small in comparison to some of his Davidson relatives.) His sister, Margaret, recounts that upon several instances of introducing him as her "little brother" she was met with the question, "If this is your little brother, do you have an even bigger brother?" His cousin, Dave, recalls working with him in the family business as young men unloading rail cars of 100 pound sacks of dry goods. Dave would struggle with one; Mike would carry two or three at a time. They spent many memorable summers in Poteet, TX hunting, fishing and working the farm and just having fun. Somewhere along the journey, he became "Poppy" to friends and family.

Influencing and encouraging hundreds of young people who are friends of his children was a serious responsibility and an overwhelming joy to Mike. He liked to mentor them in good times and help them see their way back to a better path when
