Dear Brother, it's been 15 years since you left us and I still hold you close to my heart. I remember all your advice, corny jokes, annoying habits, and your connection with the number 22. I carry the Rosary you gave me in the glove compartment of our car and every time we travel You are with me in spirit. There's a 22 mile marker before the entrance to a city and I always make the sign of the cross and think of You. Oscar always yells out "Rudy"! Your family has prospered and grown and they're doing fine. You would be so proud! I miss you Big Brother!..... Your Little Sister, Imelda Navarro Garza, 09/11/2022
