I remember working at Shell @ Capital and seeing the Mistras people come and go from the QC department daily... One day you came in and I asked you Mike do you live in LaPorte on Tree Hollow Cir? You said Yes..Why? and I just laughed and said...Well Hi neighbor...and you just looked at me like "what is she talking about" I, said yes we are neighbors. Mike, ole Mike, been a minute since we talked. I think the last time we talked you did something off the charts at Exxon, and wanted to know if I had your back. What kind of question was that, \$#@! yeah I had your back. No matter what, old school boys stay down! They have no idea. We had a lot of good time's man. I was just talking to Tiff the other day and we were laughing about that time you threw that full beer bottle at Priscilla's head cause she wouldn't shut her mouth.....smh.....lol..... She barely made it out the way. Or when you had that Acura Vigor & we would jump in that thing and go insane. Every weekend we would pull something crazy off. It was never a dull moment around you. I could not help but laugh at something you had done, or were in the process of doing. I hate to see you go. Say whats up to James & Josh for me. I will Pray for your loved ones & that you find GOD.Peace
