Grandma how you will be missed by so many family and friends. I hold very dear memories of you, but mostly your love and kindness. Some of my first memories were shared with you....hand made Barbie clothes, eating honey suckles in your back yard with my cousins, big, happy fun-filled family parties and so many more! I remember going with you to Bingo and the KC Hall with you and Grandpa and I thought that was so much fun. There are just so many loving memories and I will always treasure those until I see you again. I know this time is difficult for our family and your loss is felt immensely as we move through grief, but my heart smiles knowing you are in Heaven with your one true love, Grandpa and for that I am happy and at peace. With all my love, Tara.
