It's all about that voice, bout that voice, yeah, all about that voice, bout that voice! Rey, I can still hear your beautiful voice back at Edison Jr. High School, smooth as silk. The Good Lord Blessed you with the Gift of music. When I moved away to Austin Texas some 38 years ago, I always thought about you and all of the great musicians that touched my heart at such a young age. I am going to miss your physical being, but knowing that your heart and spirit never ends will sustain me and get me through each day forward. I will always love you and keep you close to me with my daily prayers.....Tu Amigo Rick Trevino Sr.

I remember the end of my first day at Rigid. I walked into Rey's office and he said he had a binder he thought would help me with their standards. I pulled it out of the bookshelf and there stood a bottle of whiskey. Good times! What I'd do to have one last drink together. RIP my friend.James C. Hunter
