So sorry that we are left without him, but rejoice because he has finished his journey and is HOME where he has lived to be. I wish I could have been there to give a loving hug to each of you, but know that many shared with you the love for Shelton that we all share. The memories are flowing, but one I cherish is of a fellowship where "hickey" Ma and Pa kept us in stitches. The Robinson family is a treasure in my life. Rosie
