I will miss you Grandma. I second the comment from Kimberly about the chocolate chip cake. It was amazing!!! I will always remember the great times me and my brother spent with you, grandpa and our dad at the lodge. However, I did not like taking the naps that Grandma made us take LOL. Give Grandpa and my dad a big hug from me and Tim.

I smile when I remember the sisters all together, laughing and sharing stories. Such different personalities but bonded with love. I wanted to let you know that we are thinking of you during this difficult time.

I will always remember her chocolate chip cake and homemade peach ice cream. As a kid I loved spending the summers with her and grandpa. Not so much when she made me fold sheets over and over again. haha I love you Grandma. Kimberly
