Mary and Family,I fondly recall the last time I visited with Phil was at a Saifi get together. Eric was telling Phil how he had taken some of Phil's advise and reallocated his 401 funds. You could see the sparkle in Phil's eyes and the energy in his body as he and Eric talked more. He was always willing to share his knowledge of finance and cars with the younger ones and that will certainly be missed by everyone. It was my pleasure to have had the opportunity to meet him.My thoughts and prayers are with Phil, with you and with your family.Nancy Lay

Big Phil always had great stories to tell around the campfire at our Flat Rock Ranch deer lease in Edwards County. Even with his mobility issues, he loved being with the guys out there. We will miss you, Big Phil, and may you find rest in the arms of our Lord.

I met Phil when I worked at Metlife and I enjoyed working with him. We worked together at several events, one of which had us in the hot sun with some unhappy people. Phil always kept a smile of his face and an acerbic sense of humor that just seemed to make that long, hot, unpleasant day go by fast. Thank you Phil. Ironically, I heard a radio news story about Johnny Lee, one of Phil's relatives, on Sunday afternoon and it reminded me of Phil.
