My father Denny Laughead just called and told me about Mr. Yelton's passing....I wanted to share this wonderful moment we had with him last year.My sister Mary and I had the pleasure of meeting Mr. Yelton last year at the Belle Grove reunion. He spoke very fondly of his family especially his wife Pat.When we went to Arlington Cemetery he wanted so badly to see his brothers gravesite which he'd never seen. Unfortunately at Arlington you have to walk to individual gravesites. My sister and I volunteered one of our wheelchairs and wheeled Bob to see his brother. He was overwhelmed with joy and we took pictures so he could send to his beloved Pat.We were then "his girls" the rest of the reunion. What a lovely manbless him and his wife. The good Lord just had a wonderful addition to Heaven.....Sandra Laughead Hannon

My grandfather, Jake Griego, and Bob were on the USS Belle Grove together. I remember hearing about Bob before ever attending a reunion. He was described to me as a loud and funny guy who loved to talk! I had no idea what I was in for when I met him. :-) I have been blessed attend the Navy reunions for about 14 years and Bob was a true centerpiece. When he walked into the room, he owned it. He was a kidder and was never without a smile! My heart is broken that he and Pat are no longer with us. I have to agree with the others that they have joined their fellow shipmates and right-handers and are having their own reunion in Heaven. I will miss Bob's kisses on my cheek and his funny jokes. He loved giving me a hard time about missing the cruise ship to Alaska. I will never forget him. God Bless his family and all of us who mourn him. Janice and I have so many fond memories of Bobby and Pat. It saddens us tremendously to hear this news. We will keep his family in our thoughts and prayers. I know that my father (Joe Bledsoe) loved him like a brother and he was like that really mischievous uncle to us. The Belle Grove family will not be the same without him and I am sure that he, Dad and Cookston are having their own reunion right now. Our Deepest Sympathy, Janice Bledsoe Muth and Brenda Bledsoe Newton

Farewell my shipmate and dear friend and the years that we have known each other were memorable. I will miss our phone conversations and how we would reminisce about our "liberty calls" and the fun we would have on them. Cookie, Joe Penney, Wilber will take care of you when you meet up. It was my pleasure knowing you all these years along with your very patient and loving wife, Pat. Blue skies and following sea's on your journey. Bob. Till we meet again. Lou & Aggie Siani

Bob Yelton was a friend and fellow shipmate. We will miss him a lot at the ship reunions. We still have the picture of him holding a pair of mens underwear that had a handle and it was called a Brief Case. It had been given to him by all the shipmates. You knew when Bob was around by his booming voice. Bob you will be missed!!!

Bob Yelton, we met him at the reunions for the USS Belle Grove LSD 2. What a smile, loud voice, but warm heart. Full of funny stories and just enjoyed being around people. I miss his phone calls and listening to him go on and on about different things. He was our storekeeper, and did a super job, sewed and made white vest with blue piping for a lot of the shipmates, and was proud of his accomplishments. Gave me many of his sewing items, as he couldn't see anymore to thread the darn needle! Ha! We love teasing him about 'Bruce', he would sure back peddle when we brought up that name. And the humbleness when we were in DC at Arlington, when he found his brothers grave. He told me he was only 2 when his brother went into service, and just remembers him coming home once in awhile. I'm happy he was able to find where he was buried. Tears did flow. He will be truly missed by all of us with the BG crew. Kind and loving Thoughts and Prayers to the family and friends that came into his life. Les and Janet Maudlin - Norwalk, Iowa
