A rookie, unsure and still trying to find out what I'd gotten myself into, Richard Robles said, "I'm gonna put you with Olivia." Sweet, quiet, and so willing to help me learn! A beautiful person inside and out Olivia CARED. She has been a mentor, a coach, a critic for the "you can do better," a rainy day friend, a tradesman who was proud of what she did and who she was. It has been an honor and a privilege to know how richly blessed I am to have God see fit to put this beautiful creature in my life and my heart. She was a ring-tailed toot when angered and would not back down from anyone. She's special. She's unique. She's one of a kind and there are not enough thank you's in eternity to cover what she did for me. Fly high with the angels, Olivia!! YOU'VE EARNED IT!! Love to Dennis.....we are among the rarely blessed to have had and lived the love only that special person can give. God made 'em special....and he made 'em ours. P.S. What was that about six-guns, boots, a cowboy hat and a ceiling fan????
