Mom I miss you so much and it is still so hard to be without you. You did send me a sign and I know why. I don't cry as much but I have a great support system. Cici still ask for you along with Nikko and Nikko tells her you are having your coffee and cookies in heaven. Lol. They miss you as much as I do.

Thinking of you mom and you are always on my mind. My heart hurts for you and one day I will see you again. Just know that cici and Nikko miss you so. They just talked about you the other day. Nikko said I know grandma is watching over us with her wings and Cici said wings! What wings. Nikko said grandma is are guardian angel now and will be watching us til we see her in heaven. Wanted to cry so bad but had to stay strong for them. Cici misses you the most and ask for you always. They know you are there and will never forget you. Love you mom and your grandkids love you dearly.

I always think of her when I see the color purple... as a teenager she would buy me a new bottle of nail polish when she came to visit our family. The polish I remembered and used the most was the purple one! I just know she is going to have the Angels that are surrounding her wearing that same color purple polish...
