## **Mr. David Randall York**

FEB 24, 1961 - SEP 16, 2015

**D**avid York, of La Porte, Texas, suddenly passed from our lives far too soon on September 16, 2015, at the young age of 54. David was born in Pasadena, Texas on February 24, 1961 to Clem and Sharon York.

He was raised in the Deer Park/Pasadena area where he attended Deer Park High School, and went on to play football at the University of Texas El Paso for 2 years. He returned to Pasadena to work for 30 years alongside his father at Clem York and Son Automotive in Pasadena. David married the love of his life, Gay Mijavec York, and together they enjoyed a fishing and beach lifestyle. He loved his time on the water and always worked hard to make a great life for his wife and kids.

He is survived by his mother, Sharon York, and wife, Gay York. David will be extremely missed by his daughters, Whitney York Parks; Hailey York Clark, husband Chris; and son, Eric English, wife Amber. His 8 grandchildren, Logan and Hannah Parks; Falynn and Zoe Clark; Victoria, Haley, Julian and Alexis English, will miss his vivacious smile and zest for life and adventure. He was the beloved brother of Cindy Smiley-Freeman, husband George and Sandy York Piggott, husband Lijoy Kurian. While his legacy will live on forever, he will be reunited with his best friend and father, Clem York, whom he loved dearly.

The family will be present to receive friends on Sunday evening, September 20, 2015 from 5:30 PM until 8:00 PM with a Memorial Service beginning at 6:30 PM in the Chapel of SouthPark Funeral Home, 1310 North Main St. Pearland, TX 77581.

Oh my college buddy David, I so wanted to see you - at least one last time. I'm moving to Houston this month (October) and was going to look you up. I'm saddened for your family and friends. I regret not getting there just a little sooner. So long my friend. We will eventually meet someday. Your friend, Conrad

We are still in a state of absolute shock and tears are flowing as this message is being written. Our deepest and sincerest sympathy goes to the entire York family during this very sad and difficult time. WE ARE HERE FOR YOU GAY AND MAGGIE!!! Our street is so boring now without all the boats, cars, trucks and you name it parked in front of David and Gay's place - David was always buying this, that and whatever kind of stuff he could find - he didn't need it but he wanted it. When cleaning out our shop and garage, David was there "sneaking" stuff over to his place. He was always there to help and gosh, we are going to miss him BIG TIME. Nick & Jeanne Hooke

A great friend and neighbor. I considered him one of the best people I have known in my life. If it had not been for his help during the Hurricane Ike we may not have survived the long period without electricity. Yes, he will be very missed by me and my family. David was always there to help and I know he will be helping and looking after everyone in his new life. Tim and Linda Anderson
