We have lots of wonderful memories with my cousin I remember when we lived in Corpus our parents would take us to visit Tio Pancho & Tia Blanca & we'd hang out with cousins Delma & Diana while our parents went dancing. Diana would always make us laugh she had such a great personality. I'm so blessed to have been able to spend time with her she brought sunshine into our life's she will be missed. I'm sure she's with Tio & my big brother Paul sharing wonderful stories.

I remember all the times when we were younger and the Times we spent, when Diana and Delma would come visit us, and I would come to Houston and stay with them at Tio and Tias. We were very close and we will always have the memories. Diana you will be greatly missed and know that you will stay in our hearts forever.
