I love and miss you so much, grandpa! Madison keeps trying to get me to make your cat noises but nobody can do it like you. Forever in our hearts.

Mr. Terrell was a very special to me. I took care of him for several years and you grow close to your patients especially him. He always had jokes for me when I went. I will always remember him reading his bible when he arrived at his garage every time. Mr. Terrell you are resting in peace with our Lord. Till we see each other again as its says in the scripture.
