Mrs. Peck was a sweet, kind soul who was always there to help if someone was in need. She kept kids at times and was excellent to my niece, becoming like a close family member. In all the years I never heard Mrs. Peck speak an unkind word. God has a new angel but one has been lost here .

Granny Peck really loved her children and grandchildren. I remember how she tried to feed everyone that came over. She always insisted I drink a cup of coffee with her. Such a nurturing woman. She was a real lady. God received an angel when he called her home. My prayers go out to the family, may God give you comfort and strength in this most difficult of times.
