My prayers are with the entire family. Ron, I know how close you were to your mom as you've told me of the many times you went and her would go golfing and spend the day together. I will pray for healing for you especially. If you need anything don't hesitate to call. Chris Henning

Most of us here in Country Place lovingly referred to Jerry as the "post office Lady". We will miss her walks with her dog and our Friday night fish fry down at the KC hall. She really lived a great of life of faith, and will be missed by us all on South Peach Hollow circle.
