Mrs. Janean Kay Reagan

AUG 6, 1960 - SEP 7, 2016

Janean Kay Reagan, 56, died on September 7, 2016 at her home in Pearland, Texas. Janean was born in Port Arthur, Texas on August 6, 1960 and graduated from Thomas Jefferson High School in 1978. She was a loving wife, mother, grandmother, daughter, sister and friend. She was also an avid reader, had a wonderful sense of humor and was a joy to all who knew her. Janean was a long time employee of South Texas College of Law and will be missed by her extensive work family. She courageously battled cancer and other health issues in recent years. Mostly, Janean will be remembered as a loving and dedicated mother to her son, Justin, who was her greatest pride and joy, and as a wonderful grandmother to Eisley and Jay.

Janean was preceded in death by her husband, Jay Warren Reagan, who was the love of her life; her brother, James Burnett; her stepfather, Paul Bradley; and her stepfather, Sal Guererro. She is survived by her son, Justin Warren Reagan, his wife, Adrienne, and their children, Eisley Kaylen Reagan and Jay Warren Reagan; her father, the Honorable Jay W. Burnett and his wife, Catherine; her mother, Doris Guerrero; her brother, Lance Bradley and his wife, Tina, and their children, Kendal and Kaden; her sister-in-law, Natasha Burnett; nieces, Jamie and Kendra and their families; many other family members and friends; and by her beloved dog, Jack. Janean is also survived by her husband's family, who loved her as one of their own. Janean was cherished by her family and friends and will be sorely missed. She lived life on her own terms and knew that she was loved by many.

A visitation and celebration of Janean's life will be held on Saturday, September 17, 2016 at 2:00 p.m. at South Park Funeral Home in Pearland, Texas

Janean will always be in my heart and on my mind. She brought sunshine in the dark days, more joy in the bright days, and levity every day! I will think of Janean every time I try a new restaurant. I will dearly miss sharing our restaurant reviews and updates on our children and her grandchildren. My prayers will remain with the family as I know there will be difficult days for some time and the moments of longing will continue to rise to the surface. I pray that Janean's spirit will be with you and the wonderful memories of her will always comfort you bring you joy. Gena Singleton

Janean was a dear friend at Houston College of Law, formerly South Texas College of Law. She always had a kind and cheerful word as she passed by my office door and was one of the people that makes the College seem a special place to work. Her passing is a great loss to the school and I shall miss her. Professor Tobin Sparling

I was lucky to call Janean my sister-in-law. She was smart, hilarious, and passionate. She loved my brother, Jay, and nephew, Justin, with all of her heart. I will miss her infectious laughter and her awesome stories. I will miss her book recommendations. I will miss our phone conversations that would last an hour but felt like a minute. I will miss the hysterical laughter from her wicked and fabulous sense of humor. I will miss her delicious cooking. I will miss the smile that Easley and baby Jay put on her face. I will miss the conversations that she with Jacob shared about their Nintendo games. I will miss her... May you rest in peace, Janean, and treasure your reunion with Jay. Love you always.

Janean was my friend at school... I was a student who would constantly need help with financial aid and loan allocation. She would always answer my dumb questions and immediately get back to my emails over things I could figure out myself. During the past three years of my time at STCL, I became good friends with Janean. I would see her in the hallways or up on the terrace, and she would always ask me how my day was first. I would tell her whatever ridiculous test or interview I was stressed about, and she would simply tell me how smart and wonderful I was, and I had nothing to worry about. She showed kindness to anyone who asked for it. Janean comforted me when I was studying for finals and the bar exam. If I saw her on the terrace or if I had a minute to drop by her office to say, "hey!" my day got brighter. During some school party on the terrace or in the foyer, the little tap on my shoulder from her to give me a hug was the highlight of the event. I missed her company when I graduated in May, and now I miss her even more. I am very blessed to have had her in my life, if only for a short while. But I know I'll see her again in Heaven, it's just the wait that's going to hurt.

I feel privileged to have known the Reagan family all these years....especially Janean & Jay. Upon Jay's passing I got to know Janean and " The Boy " a bit better and acquired a frame of reference for the only soft/sweet stories to come from Jay. As the sting of his passing eased I began to share some of the stories of our friendship and some of the stories from Jay of the Wife and The Boy, wanting to make sure they knew that they were his soft side. It is easy to see the best of Janean & Jay in their son Justin and I have no doubts that it will be easy to see the best of Justin & Adrienne in their children as well. This family and it's members make me proud to be a Texan, and serve as a reminder to us all to try to be the best elements/qualities our parents have. A sincere thanks to Janean & Jay Reagan for leaving the very best of themselves behind.
