Ms. Lydia Ann Thomas

OCT 13, 1958 - NOV 29, 2016

L ydia Ann Thomas left this world to be with the Lord and many loved ones who passed before her. She was born October 13, 1958 and had just celebrated her 58th birthday. She was joyously welcomed by her parents Robert and Della Thomas after a long seven year wait. Twenty eight months later she was joined by her baby brother, Robert Christian Thomas called “Chris”, who entered into heaven far too early at 15 ½ years. We are sure there was quite a happy reunion above not only with Chris but her wonderful grandparents, aunts and uncles and many cousins. Lydia’s children, Destiny and David were her pride and joy, two to be very proud of.

Destiny’s gift to her happiness, Robert Christian soon to be seven and Liam Ryan age 3 years and 3 months. Lydia was the best MawMaw who was very patient with them. She spent much time working on fun projects, baking cookies and more importantly teaching them about the Lord. Lydia was an avid Bible student and was constantly reading it. She believed strongly in the Power of Prayer. She was Christian as a baby in the Methodist Church but much later in life was Baptized in the Baptist Church soon to be followed by Destiny and David at their own request at a very early age. At the age of 3 she began taking dance lessons and her instructors started recognizing unusual talent at the age. She spent much of her life teaching and performing until her body took its toll. The Houston Ballet Company recognized her teaching ability and sometimes sent talented students to her when they didn’t have room in the company’s school. Lydia went to be with her Lord and Saviors as most of hope to do peacefully in her sleep with her loyal dog, Shillo at her side.

Funeral Services will be held Monday, December 5, 2016 at 11:00 AM at SouthPark Funeral Home. A visitation will be held 1 hour prior to services starting. Burial will follow at SouthPark Cemetery.

Lydia was like a daughter to me. I will always love her and appreciate her friendship. She was a precious friend to my daughter and they shared many things. I am grateful to her parents who raised her to love everyone. When my daughter had her double lung transplant Lydia was there to support her and me during the hours of surgery. She had a special sense and knew when I would get restless. She would pray for me. I will miss that and I will miss her beautiful smile. She is now walking the streets of gold with her savior.

I wake up every morning hoping it was a bad dream. But I finally realize that you are gone. I will miss our time together while visiting Texas. I'll miss seeing you care for your grandsons, and watching the glow of love on your face when you watch them play. I wish there was something I could have done to keep you here. I will cherish all of the memories of you in my heart until I see you again. I so wish I could be at your celebration of life on Monday. But since I can't be there, I will send a dozen yellow balloons in the air just for you. Rest In Peace sweet cousin

I remember her in HS and she was a good friend. I'm sorry that we didn't keep up with one another. Now Heaven has another angel to look down upon us. May God help heal the loss of this wonderful person.
