I would like to send my deepest condolences to The Family of My Dearest Friend Mona, she was an exceptional woman who had a heart of gold if you were fortunate to have met her then you knew automatically what type of heart she had for her friends and family it was one that had no boundaries or restrictions she loved with all her heart and soul....My heart is broken cause I miss her so much but I know that she would want us to be strong I have so many memories with her so it would be hard to write about just one.. I won't say goodbye to her but I will tell her til we meet again on the other side.... I love you mona
