We were in 3rd grade when I met Peg. Going to school that day was scary. This little girl came right up to me with that big smile of hers. We were best friends into middle school. It had been many yrs since I saw or talked to her. Found her on facebook. Think of her often.

Peg was a great sister-in-law. She loved my brother, Gary, so much. Our last trip to Texas Gary and Peg took us down to Galveston to walk the beach and have the best gyro I've ever had at one of their favorite places. As I think about her I can hear her laugh, that is something you could always count on, her and Gary laughing. Peace and love, Peg!
