Mr. Abrego was a wonderful man to me in that he was a baseball coach to me with the Willow Creek Little League Big Boy team. Just a great person to be around while playing - always positive. And he regularly took us to Pizza Inn after the games for pizza. Very good memories. Later when I was playing professionally, he would call me up and invite me to Astros games with the family. He definitely was one of the people that influenced me in my love for the game. Chris Moritz
