I just learned that Richard passed away. My heart, love and prayers go to his family. Richard had a beautiful soul. He was there for me whenever I needed him, giving me hope and a shoulder to cry on. I will never forget him and all he did for me. He made the world a brighter place. His children...so very proud of them. His kids were his life and the light to a dark day. His laugh and smile will forever remain in my heart. Mr. and Mrs. Castillo you taught him well. Thank you for sharing your son with us. It has been a true honor to know Richard. Until we meet again, we love you and pray for you everyday from now till the very end. Kelly

I will never forget our time together at heb or our many get togethers playing spades or watching the kids play. You were my best friend for so very long and helped make me a better parent. I will never forget you killing a snake at my house during a play date. Or how you were willing to do anything for your kids or mine. Your hugs and smiles made my day better and now the world seems alittle less bright without you in it I look forward to seeing you again in heaven.
