46 years ago I was sitting at a bar in Houston called the Ebb Tide Lounge. The man behind me didnt know I was wearing a brace on my left leg (and that I walked on crutches).Je proceded to ask me to dance with him..I pilitley said no.I guess he thought I just didnt want to dance with him and he got angry. KENNETH happened to be standing beside me and overheard the man say "I guess you think you've got an Ace in the hole!" Kenneth turned and looked at him and said "Buddy..shes got a hundred of them..which one do.you want?" The man turned and walked away and from that day we became great friends. I will always remember him as my dear friend.
