My heartfelt sympathy goes to this family. I had the privilege and pleasure of working with Ms Helen at Onalaska Elementary. She was a very sweet lady and had lots of spunk. She took great pride in her job as the librarian and did a wonderful job. Any and everything that I ever needed for research in my sixth grade science/social studies classroom she would find and/or order for me if the funds were available. Every afternoon when she made her Sonic run, she would bring me a Coke or Limeade....it was always the "perfect pick me up" to get me through the afternoon. Rest in Peace sweet lady, Rest in Peace until we meet again in God's Kingdom. With love, Margaret Rybarski

I am so sorry to hear of Helen's passing. My heartfelt sympathy goes to her family. I worked with Ms Helen at Onalaska Elementary. She was a great lady. I remember just how proud she was of those grandbabies. Every day for a couple of years she would pick up a coke for me from Sonic when she made her daily trip there. Any and everything that I ever needed for my sixth grade science/social studies classroom research she was quick to find or order if the funds were available. I know that your hearts are breaking but have Peace in knowing that you will one day be united with her again in God's Kingdom and until then she will be watching over all of you. See you in Heaven Ms Helen.....love you, Margaret Rybarski

I am so sorry to hear of Helen's passing. She was always one of my favorite people to work with at Onalaska Elementary. If I ever needed anything at all from the library for research, for myself or my classroom, she rose to the occasion and sought out whatever she could find on whatever subject I gave her.I remember we had a pot luck after school one day and I brought a ham roll up appetizer that she just loved. For years she talked about how good they were. I never did find the recipe again to give to her.What a sweet lady! I was one of the lucky ones blessed enough to have known her.Rest in peace dear angel.
