I miss you Bubba, your son is looking like you more and more. As Life goes on, you remain in my thoughts, in every success and failure I always think about you. I'm almost finished with college, its hard working and going to school. I'm still getting it done, I'm going to have a baby of my own. Your son took over your name, for a while he was baby bubba, now everyone calls him Bubba. Sometimes when I hear your name called, I think you will walk through the door and give me a hug. You'll always be Bubba
