Forever in my heart my little angel mommy loved/loves you from the first time I found out I had you growing inside me. Your heart beat made me tear everytime seeing you move around made me feel joy. I never felt so much happiness in my life! Your spirit is forever with me & your soul continues to grow with mine. Your daddy loves you too he was so excited to met & hold you. He already had a nickname for you "Lil Sosa" he talked to you every night telling you how much he loved you & he couldn't wait to see you. Only the lord knows why he needed you more you were just to perfect for the world. In peace you went & will be for a lifetime until we meet again my precious angel 💙
