Mr. Harris was my principal for 11 years! He moved to the admin department our senior year, Class of '81! Our class petitioned the administration to allow Mr. Harris to give the class of 81 Our diplomas. They said no! Big mistake! We loved "our Mr. Harris " and let PISD know we were upset! We were the last class to graduate on the football field because we spoke LOUD and clear! We had firworks, signs, beach balls! We let them know, we we're mad! He was with our class until the first day of our senior year, but we all knew Mr. Harris would always be our Principal to last day! God Bless your family that has been through so much!

I will remember Gerald Harris as a man who had a very real and genuine faith. His faith was severely tested in the fires of adversity and grief, but I am fully confident that he has come forth as gold.

I attended Pearlad High School from 1973-1977 and Mr. Harris was our principal. He was such a good principal and a fair one as well. Many students did well in school under his direction. May you soar above on Eagles Wings. Thank you Mr. Harris for the man you are.

My Uncle Gerald loved to talk! I will never forget his kindness to my daddy when he was dying of lung cancer. He came to Hope, Arkansas, and helped my mother take care of Daddy. I will miss my uncle and pray for peace and comfort for his dear family.
