Cici Goodwill lit a candle in honor of Chad.

Words, however kind, can't mend your heartache, but those who care for you share your grief and wish you comfort and peace of mind. May God bring you and your family the much-needed peace, comfort, love, and understanding during this sad time. My condolences to you and your family. Cling to the Lord and He will comfort you through the process of grieving and, in the future, will replace your sorrow with great, unending joy!
