He and Kevin spoke daily about the sports teams. He also talked to his mom, letting her know when the Astros were playing. He would keep Judy updated on on the Texans scores while she was working. would watch the college softball world series and would call each other to talk about it. He loved coaching all the girls who played softball with Heather and he loved coaching Kevin and Nathan's football and baseball teams. He had his daily routine. He and his dog, would walk twice a day. They would go to the post office, and to various places that suited their fancy! It sure was good that the dog showed up on his front porch on Christmas morning, many years ago.

John was a good man! He would do what ever he could to help his family and children out. He was a good husband, father, son and brother to the very best of his abilities. He was loved by many and will be missed by all, especially Christmas, his faithful dog.
