Miss. Mary, i always loved the way you would open your window so you could hear the improptu jams from Vickies driveway. Sometimes you even had requests! . Sometimes Vickue could persuade you to come outside to , sit with us and listen to the music with us. That always felt like a special treat for us to be in the prescence of such a sweet , kind ,loving soul. You became everyones momma on those nights. We are going to miss you .

I haven't been in the family as long as I wish I had but some of my most cherished times are dining in Ms. Mary's home. At her meals, all the china came out, the table was always dressed to its finest, the food was always superb but the greatest part was seeing Ms. Mary's bright smile when each of us came through the door. I don't believe she ever met a stranger and I'm sure she always loved even the newest members of family. You were a fabulous lady, Ms. Mary. You are a beautiful compliment to Heaven. Rest peacefully sweet lady. You will be missed.

You'll notice her drivers license includes a motorcycle operator endorsement. When Mary turned 80, I took her to the DPS office to renew. The young lady behind the counter asserted "you don't want to keep the motorcycle endorsement, do you?" To which Mary replied rather belligerently "well of course I do!" Mary was a keeper and inspiration.
