Louise Wilson born in Houston, Texas on August 18, 1930 to William and Elsie Beadles. She passed away in Tomball, Texas on February 9, 2018. Louise had many passions in life, she loved animals and would not hesitate to take in a stray dog or cat if it needed a home, she has also taken in a raccoon, a rabbit, a turtle, a lost parakeet and a large snapping turtle but she told her 2 sons to take it back to where they found it. Later on in her life she was able to fulfill one of her dreams and that was living on a farm and having as many animals as she wanted. At one point she had a numerous horses small and large, miniature donkeys, pot belly pig, numerous chickens and many, many cats and dogs, her farm was like a petting zoo for her grandkids and they loved it.

Her 2nd passion in life was traveling she has visited almost all the islands of the Caribbean by going on cruises, including Venezuela, and she was lucky enough to go thru the Panama Canal on one of her cruises. Louise loved cruising she loved meeting people and she loved trying the different types of foods they had to offer. Louise loved reading romance novels and western books. She would sit in her easy chair with a bowl of her favorite candy and read an entire book in just about one day. One of Louise's saying in her later years when her hair was turning gray was I will never go gray thanks to Ms. Clairol I will always be a red head!

I knew Louise from "The Heritage" in Tomball. She lived across the hall from my grandpa with her cat! She was so cute with her red hair and she loved to talk and tell stories and she loved her horses and cruises. We became friends and she was the neatest lady. I just loved her. I was so sad to hear the news. I will miss her. She is with her Lord and savior now. Prayers for the family.

Georgia, Vinnie, Dom and Macy, and extended family. Ron and I are very so for the loss of your mom. She is now in heaven riding all the horses she wants, and taking care of all the critters she wants to. Blessings during this time.

So many fond childhood memories of growing up with the Wilson family. Louise was such a sweet and compassionate person and continued to be a dear friend to my Mother for many decades. My thoughts and prayers and with all her children and grandchildren. Lisa Vargas Todd
