Hi son, It feel so weird that I'm writing to you . I got on your webpage and no one has written anything . The pain that I feel my heart it's overwhelming . Today Saturday it's a nice day outside. I feel like any minute you are going to open the door and run inside your room get what you need and run back out . While I'll be asking you Moses what are you looking for. We didn't always agree but I loved you with all my heart. And I know you always knew that. I missed you so much. I know God called your name and you went home. That is the only comfort I have that you are with our loving father in heaven. Lord father you called Moises to be with you. Take care of him for me. ❤️  
You both!!Your loving mom.
