Anita, I had known you since our children were small & went to the same elementary school. Our daughters had the same ballet teacher & recitals. The best part was when Alec was born we became family. I believe Alec was the only one that had two grandmas with the same birthday (June 9). We will miss you but you will forever live in our hearts. May you Rest In Peace in God's loving arms. 👤👤👤❤️

We didn't get to see Anita often, but we enjoyed her company so much when we did. She always had the brightest smile and was always happy. She was so proud of her children, grandchildren and dogs not necessarily in that order :) Rest in peace dear friend. You have certainly earned it. We extend our sympathy to all of her family. She was very special. Margie & Carlton Moore

To my sister Anita, you suffered so much these last 14 months I know you are in no pain now. When we talked these last few months you wanted to get better and go back to work. God needed another helper so he called on you, I know you are with God, Jesse, mom, dad, Juvie, and Isabel. We will be with you'll some day, see you then. Love and miss you.

Anita I'm so glad to have known you while you were here. I am so grateful for you helping look after me and my son Geoffrey. Your daughter is my lifelong friend and please know that I'll be there for her and her son and help them in anyway I can as your family has done for mine. I still love you. And you will never be forgotten.
