Mrs. Dee Ann (Grigsby) Boyd

AUG 1, 1958 - AUG 12, 2018

Dee Ann (Grigsby) Boyd, aged 60, passed away peacefully at home on Sunday, August 12, 2018. She is survived by her loving husband, Bruce, and children, Charles and Ian.

She was the daughter of Charles W. Grigsby, Jr. and Annie B. (Erickson) Grigsby. She was preceded in death by her beloved brother, Charles W. Grigsby, III.

She graduated from the University of Houston with a degree in Psychology and began to pursue a career, but that career was happily changed to starting and raising a family. Dee loved this new direction in life and felt blessed to have this opportunity and having two wonderful children; her legacy. She left a lasting impact on the many people whose lives she touched from teaching Sunday school at St. Clare and other volunteer work that she took on passionately. In addition to her raising a family and pets, running a home and volunteer work, Dee was a lifelong supporter of the Houston SPCA and other animal welfare organizations in her native Houston. She leaves behind her beloved rescue animals, two dogs and two cats.

Dee was an avid reader and traveler and loved to learn about the world and different cultures. She lived a full and happy life and was deeply loved by all those who were fortunate enough to know her as the warm, charming and caring woman that she was.

The Rosary will be recited 5:00 PM August 16, 2018 at Southpark Funeral Home 1310 North Main St. Pearland, Texas 77581. Funeral Mass will be held 10:30 AM August 17, 2018 at St Clare of Assisi Catholic Church 3131 El Dorado Houston, Texas 77059. Followed by burial in Southpark Cemetery.

Dee was such a ray of sunshine. She brightened the room wherever she was. Those of us girls fortunate to have recent precious memories of her, will never forget that sweet voice and smile and her loving personality. Arlla, Laurie and I got together with Dee one weekend not too long ago and had THE best time.....playing games, listening to music and reminiscing about our childhoods. And every time I hear Uptown Funk, I'll think of you, Dee Ann! Dee loved her friends and she adored her family. To Bruce, Charles and Ian, my heart breaks for you. She loved you all so very much and was so looking forward to seeing you get married and shower her with grandchildren for her and Bruce to spoil. And don't forget those fur babies. She loved her pets so much! I'm glad she's not hurting any more, but sad to see her leave us. I'll never forget you, Dee. I love you and we will see each other again one day. Love you, Terri

Dee Ann, you are the sweetest, kindest and most loving individuals I've ever had the pleasure of knowing. Although we didn't see each other often, when we did it was as if we had been together all along. I have and will always love you so very much. Rest in peace sweet angel.

Bruce, you and the boys will be in our thoughts during this tremendously hard time. I know Dee was very proud of her family and was looking forward to hundreds of grandchildren. The next best thing to this is all those grandchildren, you and the boys have the best guardian angels in Dee, her mom & dad and of course Bubba. You can't ask for anything better. Bill and I are here if you need anything. Just one more thing to say from all of her girlfriends from me, Laurie, Terri and countless more, Dee was a KICK ASS GIRLFRIEND! Loved her dearly and will think of her often. RIP my friend. See you on the other side with that beautiful smile and that crazy laugh. Dancing to Under My Thumb by the Rolling Stones.

You have left this earth way to soon my very first friend. I will not send flowers.... Nope because you cannot enjoy them... What I will send is a donation in your name to the American Cancer Society... I know you and if you could have any part in saving one person from the clutch of Cancer.. You my sweet friend would do all you could to prevent another from suffering. I loved you since I was one and I love you now... I know Mama Ann, Bubba and Chief were there to hold you and welcome you to other side.... God Bless Your Family because they lost an Angel with the sweetest smile on earth. No more suffering and no more pain.... Until we meet again tell all our loved ones hello for me....

My dearest and oldest high school friend that made me laugh all the time, our long distance phone conversations and memories we shared of our high school days and about our kids, like the time you, Bruce and I went to the movies and us playing a video game and thinking we were winning until Bruce told us we weren't even playing! We laughed so hard. My heart breaks that I won't hear your laughter, but I will always have those beautiful memories. Until we meet again.

My dearest sweet Dee. I can remember the days that we ran wild through our neighborhood growing up. The laughter, smiles, tears, and friendships that were made. Your smile and laughter will be missed by so many that love you. Until we meet again my friend.

My dear sweet friend. I will so miss you smile your giggle and the twinkle in your eye when you get excited. You fought so hard but your little body couldn't take any more. It makes me happy that you are not in pain anymore. That you are in heaven with your mom dad and Charlie Boy. I love you. Until we meet again.
