Sarai and Anthony, There are no words to tell you how sorry I am for this loss you are going through, I can't even begin to imagine how hard it is for you right now. I wish I could take away your pain. Just know that I am thinking about you and praying for comfort for you and your family, you are in our thoughts. If there is anything I can do to help, please let me know. Your family here in Houston is here for you, always has been and always will. Fly high little angel and look down on your mommy and daddy and shine your light bright for them. Lord Jesus, please wrap Your loving arms around my cousin and help her through this pain. Please bring her if even just a little bit of comfort, peace and strength to accept Your will. Keep her safe in Your arms and cover her in Your almighty blood. In Jesus name. Amen. {{Hugs}} love you prima

Anthony Isaac - You were very loved at the moment your parents found out about you. And even though there was turbulence on your day of birth, you made it through and were a survivor, thanks to God! But even as you fought for life, I think the Lord made the right choice in taking you since you were suffering too much and I know your parents or family could not bare it. I know you are with the Lord now and no longer suffering! Until we meet again Anthony Isaac! You will always be in our hearts and not a faint memory but the one who we hope to see again soon.

Antonio Isaac - Tu fuistes muy amado en el momento en que tus padres se enteraron de ti. Y aunque hubo turbulencias en tu día de nacimiento, lo lograstes y fuistes un sobreviviente, gracias a Dios! Pero aun cuando luchaste por la vida, creo que el Señor tomó la decisión correcta al tomarte, ya que estabas sufriendo demasiado y sé que tus padres y familia no pudieron tolerarlo. ¡Sé que ahora estás con el Señor y ya no sufres! ¡Hasta que volvamos a vernos, Antonio Isaac! Tu siempre estarás en nuestros corazones y no un recuerdo sin caso, pero al que esperamos a volver a ver pronto.

A butterfly lights beside us like a sunbeam, and for a brief moment its glory and beauty belong to our world, but then it flies again. And though we wish it could have stayed, we feel so lucky to have seen it. You are our beautiful butterfly and we will see you again. We love you baby.-Tia Cielo
