My fond memory of Kelcie was the very first time I met him while at a motorcycle rally in Liberty (I think). I used to get tickled every time we rode, because the wind would blow his hair back where he literally looked like he had a duck tail. He was very kind and sweet. He seemed to be a man of few words (the times I met him) but always willing to help anyone in need. Kelcie was a wonderful man from my memories of him. I wish to extend our condolences to Kelcie's family and friend. Larry Kimbrough & Tonya Slone.
