Ms. Thelma was a very special person and such a blessing to all of us. Her sharing her love of music, especially by singing Amazing Grace, was such a special treat to all of us at the Gathering Place at First United Methodist Church Pearland. She will definitely be missed. But I am so grateful to have had the time to get to know her and love her in a very special way. Her smile and sweet disposition will always remain special. God gives us memories so that we might have roses in December. I will forever smell "roses" she gave us. May God's peace and comfort be with all the family.
