what a wonderful lady ... dorris is my dad's (Alfred William Chittenden) wonderful cousin ... she and I grew to know each other more the last few years after daddy passed away in 2009. i've gotten to know her more the last few years than when we were all younger ... i miss her so. Our family appreciates so much her effort in coordinating our family history which she and sister, carolyn worked so very hard on. I'll see her again someday. Ronnie, Judy Odell And Family lit a candle in honor of Dorris.

Ben, Heather, Carolyn, Kathy and families: Our prayers are with all of you as Aunt Dorris joined Uncle Bill, Doug, Boppa, our dad Newell and rest of family in Heaven. We went down to Galveston every chance we could and had a wonderful time. Our kids would flounder, and crab with them. Aunt Dorris would make some great tacos and of course her great drinks. We walked the beach and hunted for sea shells and Dorris would tell kids about them and what they were. She would take our granddaughter and Ethan to the park and pool. Just loved every minute watching them. Talked about Ben and Heather and how she loved them. Gave us pictures of Sydney and Katelyn and told us how they gave her great joy. We visited her at apartment and nursing home and we had very good visits. She will be missed very much but we know her life here is done and she has eternity in Heaven. Keep your memories close to your heart and she will always be there. Love you Aunt Dorris and until we meet again in Heaven.
