My favorite memory of Juanito. I was shy to even talk to him. We were just little kids.. he came up to me and said you want to watch a movie..little Mike it's one of my favorite's. So we watched it and laughed a lot. We played outside...didn't know that was going to be the last time I ever see him. I regret not making enough memories with him...My condolences goes out to the family of Juanito. If you need anything please let me know. I am here to help in any way. #R.i.p.
