It is with great sadness that the family of Lisa Longoria announces her passing. Lisa was born October 07, 1958 and lived 60 wonderful years of life. For the past year she fought a hard battle against cancer. She was relieved of her pain and suffering on April 18, 2019. She is now with the Lord in her eternal home.

Lisa will always be remembered for her silly jokes and fun personality. She loved Raymond and her children tremendously and always supported them in every aspect of life. Lisa,I miss you so much. Not a single day has gone by where you haven't crossed my mind. Your infectious smile, witty humor, and full of life personality. This is how I will forever remember you my dear friend. You taught me things and gave me advice that nobody else could or will ever be able to. I'll forever cherish all of our memories together. While you will be deeply missed here on earth, I find comfort knowing I will get to hug you again one day. Heaven certainly gained an amazing angel! Keep them laughing up there for us "Lis". I love you forever!! ❤️❤️ Courtney W.
