I remember Gaines fondly. An easy going pleasant guy to talk to and a solid businessman. I had a large vinyl record spot there for a couple of years and he and co owner Gayle were always supportive and helpful. I was shocked to hear of his passing back then. But I always have fond memories of our conversations and his engaging smile. It was nice to have met you in this lifetime.

Our deepest sympathies to the family and friends of Gaines. We met him many years ago at his old location. When we started our business, we decided to come to Alvin Antiques because of our positive impression of him. And we're so glad we did. He has always been so genuine and friendly and made everyone feel welcome, greeting each person with that big smile. And he was always helpful, offering a hand or a hammer or whatever we needed. We will miss him very much. God bless you Gaines.
