Lisa Hafer posted:

My son was in Abraham's grade at RP and had a few classes with him over the years, and had a football locker next to his a couple of years ago. He says that they "fist bumped" each other when they saw each other in the hall, and that Abraham was genuinely a very nice guy. To his family - we know your pain is unimaginable and we are so sorry for your great loss. You are all in our prayers.
