Mr. J. Robert Herring

FEB 18, 1942 - AUG 9, 2019

J Robert Herring entered into the loving arms of the Lord on August 9, 2019 at the age of 77 years old. He was a native Houstonian, born on February 18, 1942 to Alta Lakin and Jasper Herring.

J. Robert Herring married Carloyn Bond in 1964. Robert began his lifelong career in plumbing in 1964. He was a member of the Plumbers Local No. 68, the American Society of Plumbing Engineers and the Mechanical Contractors Association. He was a hard man to work for but he was always fair. He started out with Mills & Herring in Pasadena. Eventually he was in business for himself with The Herring Company in Pasadena.

Robert also loved his tractors, Ford, a Poppin John and Finally a John Deere. He could usually be found driving his John Deere tractor, gator, zero turn or lawn mower doing something no matter what the temperature was at the time. But most of all Robert loved to cook. Crawfish pie, gumbo, roast beef, pork roast, dumplings, yeast rolls, THE Beans. If he cooked it, I can guarantee he cared for you immensely. Mr. Herring is preceded in death by his father; Jasper Robert Herring, step-mother; Lucille Herring, mother; Alta Lakin, sister; Glenda Sawyer and brother; John Willman.

He will always be remembered by his wife of 55 years Carolyn Bond Herring, two sisters; Yvonne Miller and Jean Ann Hunt, two daughters; Yvonne Boisvenue of New York and Rhonda and husband Robert Goerlitz of Deer Park, two honorary daughters; Libby Blair of Baytown and Tracie Maloy of Houston, five grandchildren; JR Goerlitz of Deer Park, JT Goerlitz of Deer Park, Michelle Goerlitz of Deer Park, Bridgette Boisvenue of New York and Bernard Boisvenue of New York, 9 great-grandchildren, and numerous nieces and nephews.

Mr. Herring will be forever in the hearts of the pallbearers and Honorary pallbearers that will be part of the funeral service; JR Goerlitz, JT Goerlitz, Michelle Goerlitz, Neal

Kevin Gill posted:

Robert was my first real mentor in the plumbing industry. He taught me so much about the business and gave me my first break to get into a management position in the plumbing field. He challenged me every day to be better than I was the day before. He got on my butt when I messed up then showed me what to do the next time. He was a heck of a business man and a great family man. I know he really loved his family as that's all he ever talked about. Im going to miss you Robert. Rest in Peace my friend.
