Just stumbled across this Obituary. So sad. Nancy and I were friends and neighbors in high school.

I was not ready for this. I have known Ms Nancy (NeNe) since the 90's. We both worked at OGA doing "routers" for insurance verification. We became instant friends, about 30 years or so. We shared so many stories, secrets and laughs and feelings and that, I will definitely miss. It was so easy just to pick up the phone and call her to share in conversation. She always made time. Thank you Nancy for our friendship from the Astros to Elvis. God, please comfort her family at this time and till we meet again NeNe! Silence the Tears Love you More Laurel

I'm so glad to have known you for 30 years and fortunate to have had you for my stepmom for almost as many. You called my sister Kelly and I your daughters right away and loved us like your own. I have many fond memories of summers spent together at the pool, trips to astroworld, and jamming out to Elvis music 😊 I'm so sad that I didn't get to tell you goodbye but I know you're at peace now. Give Daddy hugs and kisses from us. You are in our hearts forever ❤️ Love your daughter Amy, son in law Brett, grandchildren Tyler and Madelyn
