Thank you for sharing this with us. I worked with Cedric for around 5 years at Lone Star Overnight. He was part of the evening crew that knew how to work hard....and laugh and joke with each other even HARDER! Those were some special days working with Ced! Those days working with Cedric will never be duplicated. Extremely Saddened for your loss.-Paul Castillo/Former Co-Worker-

I remember when I was in high school, for some strange wild reason my oldest brother, Cedric, took me and my younger brother Kerry to a Isley Brother's concert. I believe it was Kerry and my first concert. He took us to our seats and left most of the time. I couldn't even go to the restroom! Afterwards he took us to a party! My excitement soon fell flat when I was instructed again, to just sit! Kerry who was in middle school, was allowed to walk around, maybe dance! Meanwhile, he would stare at me from across the room, but return if some guy dared to talk to me! Horrible night! I never went anywhere with him again! I never asked him about that day either! Lol!
