# Rafaela Grace Sweitzer

MAY 8, 2020 - MAY 8, 2020

**W**e will miss our baby girl for the rest of our lives. She was the most beautiful and precious person on this earth. She is our heart and soul. We gave her life but she has given us a reason to live. We will live every day to its fullest, for her. We will keep her memory alive by celebrating life in her name. Our daughter will forever be missed. We love you Rafaela, you're our little angel. Some people only dream of angels but we held one in our hands.

My dear sweet Ella I miss you so much every day. You won't be forgotten. I love you and am looking forward to celebrating you on your birthday this May. I am trying to get you a spot in the mausoleum next to your grandparents. I am going to try to see if they have two next to each other for us both. I love you and miss you so much.

Rafaela, you are missed beyond words. I want to write this for you because you deserve so much. So many prayers, thoughts, words and actions. Your mommy is a beautiful soul. She misses you every moment of every day. I never met you, yet I have so many memories. I was blessed to watch you grow to get the updates and hear your story. You're the reason I met your mommy so thank you. She was full of joy and excitement for you. She did so much for you as you did for her. I will never forget you Rafaela-Vanessa Our Baby Author Teri M. Stuckmann An empty space where life once stirred My eyes were not yet seeing Where once my heartbeat shared a tone with a small and fragile being So scarcely formed yet still a life A dream, a hope, a promise Our plans were changed to now include This new life thrust upon us Then just as quickly as it came Our dreams were gone away The deepest pain I've ever felt Our baby died today With footprints left upon our hearts She gently took her leave We're left with nothing but regret And only time to grieve There was no service to be held No mourning time required No songs of longing and despair No words to be inspired We're simply told to bare the pain "It's nature's way" they say I can't forget our baby moved inside me yesterday And with each word of sorrow my teardrops fall like rain The anger and resentment are mixed with guilt and pain I look to heaven for a sign to help search out a course Where love can teach acceptance and eliminate remorse My body will accept the truth that now our baby's gone But in our hearts our Angeleverlastingly lives on!

Rafaela, your mother was and is a very faithful and brave mother. A woman we, in this family, should hold in high esteem. She gave you a chance at life when no one else did. You took that chance and held on as long as you could. We honor and love you both. ----- Pappaw and Mammy
