Grandma, I will always be appreciative for you and all the words of wisdom you left imbedded in my heart. Just like you said, "Aqui los tengo en mi corazon." I also have you, and all the memories of my childhood, in mine. When I think of my childhood I think about "grandmas house". You gave your all to our family and shaped our lives in many ways. I am grateful, that in Gods plans, he thought to give me YOU as my grandma. I have peace in knowing that you found your name in the Book of Life, and when I see my name there, your arms will be the first I run to. In loving memory of my Grandma! ❤️ Vanessa
