Carolyn Maglean Holley

JUN 2, 1951 - JUL 22, 2020

It is with deep sadness to announce the passing of an extraordinary mother, grandmother, sister and friend- Carolyn Maglean Holley

She passed away peacefully in the comfort of her home on the 22nd day of July 2020 at the age of 69.

During her earthly life, she succeeded in every personal endeavor and the magnitude of her genuine love for those in her life was unparalleled.

Carolyn was born in Tulsa, Oklahoma on June 2, 1951 to the parents of Robert Holley and Wilma Jean Oliver. She was reared by her grandmother whom she often credited for molding her spirituality and character. She received Christ at an early age. At the age of 15, she relocated to Austin, Texas to reside with her father due to untimely circumstances of her grandmother. Her father was extremely instrumental in her adult life.

Carolyn obtained her Bachelor of Science Degree in Business of Administration from Huston Tillotson University in Austin, Texas while single handedly raising twins. She was passionate about the criminology field. She worked for Travis County Adult Probation, Harris County Adult Probation and was a retiree of Brazoria County Institutional Parole Division after serving nearly two decades.

Carolyn was a dedicated mother above all. She treasured her children to the highest standards. She was often recognized as being the “best mother”. As a role of a mother, she exemplified “excellence”. A mother of this caliber only naturally was a committed grandmother. She loved being called “Granny”. She had a special bond with her eldest grandchild in which she cherished so dearly. Her youngest grandchild, yet still a minor, were in the beginning stages of creating their unique memories.

Cynthia Baldrige lit a candle in honor of Carolyn.

Know that God is God... all by himself, and above him is none other. And we know that all things work together for good to them that love God, to them who are the called according to his purpose (Romans 8:28). Family, trust in the Lord at "all" times. I count it all joy to have encountered Carolyn in my life. Cherish the memories that will live forever in your hearts.
