Dwight was my neighbor 20 years ago. My home was flooded one year with 8 inches of water inside. Dwight came over and took my family and I back to his home where we stayed for the next week. He was a very good and caring neighbor.

Rest In Peace Dwight. I still get to laughing when i think about the time the tugboat i worked on sucked all the water out from underneath you and uncle Danny in chocolate bayou and left y'all high and dry. I can still hear uncle Danny cussing and you throwing beer at us. Up until uncle Danny said quit throwing the beer. I was hoping a couple those beers made it to the barge.
